**Shopping List:** <https://github.com/Dee1985/React-Shopping-List>

Live Site: <https://aydy-react-shopping-list.netlify.com/>

A simple list app- add, delete and save items. Saves to local storage. Utilizes ReactJS.

## EXPERIENCE

MINNESOTA DEPARTMENT OF HEALTH, Saint Paul, MN

**Nurse Supervisor/Team Lead, COVID-19 Response**, Aug. 2020 – Dec. 2020

- Contributing to the development of the COVID-19 Response. Continuously assisting the Healthcare leadership team to develop and implement creative solutions to issues impacting Long Term Care Facilities in MN, specifically for the COVID Case Manager (CCM) team.
- Creating and managing workflow for COVID case managers. Creating tools to streamline processes and increase individual and team engagement, moral, and productivity.
- Identify training and education needs, step changes for process improvement, developing, implementing, and improving onboarding and orientation process
- Managing team schedules, timesheets and addressing personal related issues or concern

**HENNEPIN COUNTY MEDICAL CENTER, Minneapolis, MN**

**Registered Nurse, Surgical/Trauma Neuroscience ICU, Aug. 2016 to Nov. 2019**

- Continually working within the context of the Hennepin Health “Centered Around You” Patient and Family Centered Care practice model to provide and coordinate nursing care by protecting, promoting, and optimizing health.
- Preventing illness and injury and alleviating suffering through the nursing diagnosis and treatment of the human response; partnering with the patient, their family and significant others.

**Registered Nurse/Charge nurse, Medical/Surgical Inpatient, Oct. 2010 to Aug. 2016**

- Continually working within the context of the Hennepin County Medical Center “Centered Around You” Patient and Family Centered Care practice model to provide and coordinate nursing care by protecting, promoting and optimizing health
- Creating staff schedules and managing bed assignments per unit and hospital policy.

**Registered Nurse/Triage, Acute Psychiatric Services, Oct. 2010 to Aug. 2016**

- Identifying and prioritizing critical care cases in an emergency department setting for admission, transfer or discharge. Triageing new and return adult and child/adolescent patients regarding their mental health needs, questions and/or concerns.
- Management of the Suicide prevention and crisis line. Providing clients and their families’ resource information regarding any mental health emergency. Crisis interventions completed, as necessary.

**Registered Nurse, Inpatient Psychiatry, Oct. 2009 to Aug. 2016**

- Defining and identifying common psychiatric disorders.
- Identifying and utilizing medications and other approved therapies for psychiatric disorders.
- Knowledge of behavioral assessment, use of therapeutic response and other treatment techniques.
